June 2025

Dear Parent/Guardian:

I am excited to inform you that the Elizabeth Public Schools will once again provide its students in-person educational activities this summer with "A World of Summer Programs" in 2025.

Students participating in any of the programs offered during July and August can expect high quality lessons that will enhance their academic, athletic, and artistic abilities. Among the exciting and diverse programs that will be offered during this summer are the Summer Arts Institute and sports camps.

After reviewing the contents of this brochure, you may enroll your child in a program by logging into the PowerSchool parent portal and completing the World of Summer Programs form for each of your children. The form must be completed by June 20, 2025. Please note that there is no fee or tuition payment involved.

We look forward to welcoming your children back to our schools and playing fields during the summer and to achieving excellence together.

Enjoy a safe, happy, and healthy summer.

Very truly yours,

yo Klugebruyen

Dr. Ölga Hugelmeyer Superintendent of Schools

ELEMENTARY

RISING KINDERGARTEN LITERACY PROGRAM (ELA)

This program is for students currently in the Pre-K 4-year-old program needing instruction in language and literacy in preparation for kindergarten. This program will help targeted students build foundational skills that are necessary to become successful, confident learners as they enter elementary grades. Instruction will be provided by preschool teachers who are trained in the Orton-Gillingham, multisensory approach to teaching language and literacy.

You will be notified by your principal if your child needs to attend.

ESL SUMMER ENRICHMENT (GRADES K-11)

The English as a Second Language (ESL) Summer Enrichment Program is for selected students in the Bilingual/ESL Program currently in grades K through 11. The purpose of the ESL Summer Enrichment Program is to provide English language development and communication skills through a thematic unit approach.

The themes will integrate and support the district's science, mathematics and language arts literacy curricula, along with multicultural activities and experiences that will expand concepts of sharing and understanding across cultures. This promises to be an educational journey that will enrich the lives and will further the language acquisition of Multilingual Learners (MLs).

The program is geared for MLs at proficiency Level 2 and Level 3. Students will be notified of eligibility for the program.
