Expectations:

Students are expected to be completely prepared for every class, every day, until the end of the year. This includes having the above supplies, as well as all homework assignments and required books. Please remind your child regularly of this important expectation.

Please make sure that your child charges their computer each night so that when they arrive at school they are ready to learn.

Many letters, permission forms, and other items will be sent home with your child. Please make a habit of asking your child for this information and checking his or her folder daily for these items.

Your 7th grade teachers anticipate an exciting year filled with new adventures and fantastic learning experiences. Let's work together to make sure your child gets everything he or she needs to be successful in the 2025-2026 school year!
