Dedication of Jerome Dunn Academy No. 9

The Elizabeth Board of Education held a dedication ceremony at the new Jerome Dunn Academy of School No. 9 at the school on Thursday, October 16. The school, located at 125 Third Street, is named after dedicated community and educational leader Jerome Dunn.

The new Dunn Academy School No. 9 has an instructional theme that features mathematics, technology, and the arts and is outfitted with new laptops for every child within grades 3-8.

Dunn, who last held the position of Assistant Superintendent for Family and Community Outreach, served the Elizabeth Public Schools and the members of the Elizabeth community for 42 years. He also was an active leader in the greater Elizabeth community and participated in numerous committees and organizations throughout his career, including the Elizabeth Administrative and Supervisory Council, National Association of Secondary School Principals, New Jersey Association for Lifelong Learning, and the Workforce Investment Board of Union County's Youth Investment Council

Rafael Fajardo, a longtime proponent of creating new school initiatives in Elizabeth, could not be happier with the new plan and the decision to honor Jerome Dunn.

Board President Tony Monteiro stated, "Our Board is proud of recognizing this extraordinary individual who has always stood up for the community with an indelible strength and integrity that all the children of Elizabeth will want to emulate."

"Jerome Dunn has helped to mold generations of students. We are all honored to have his name grace the front of this building!" stated Paul Perreira, Board Commissioner.

Back to School Night at Terence C. Reilly School No. 7

The annual **Terence C. Reilly School No. 7 Back to School Night** was held on September 22.

Parents and guardians met with teachers to hear about the learning initiatives in which their children will be taking part, including having their own computer device to ensure that they become experienced using technology to prepare them for the demands of college and careers.

School administrators shared the many opportunities students will have to explore

interests that match their specific areas of giftedness in one of the four components: academics, performing arts, visual arts and physical education. The prestigious achievements that are a part of Terence C. Reilly School No. 7's history were lauded and an outline for accomplishing new achievements for the entire school community was presented. The important role that parents and guardians continue to play in the success of Terence C. Reilly students was highlighted and the PTO welcomed new members. Interim Principal Mr. Panagopoulos was grateful for the opportunity, "What an amazing turnout of dedicated parents and guardians. Terence C. Reilly is honored and appreciative to have such great families truly invested in the education of their children."

William F. Halsey, Jr. Academy of Finance Brings Literature to Life!

From time-wielding masters to gods/goddesses controlling the elements, **William F. Halsey, Jr. Academy of Finance** students are letting their imaginations soar by bringing Greek plays to life!

Freshmen Honors Students recently scripted and then enacted their own versions of Greek Mythology.

Vladimer Collado, an Honors Freshmen, stated, "It's better than just hearing it. I am a visual learner."

Valerie Gutierrez, another student, also commented on the experience stating that, "Myths are brought to life by capturing the feelings of what is being read. Using props, you can see it (emotions) visually. Plus, actors change their voices so you can be entertained."

World Heart Day 2014

For students, at **Nicholas M. Butler School No. 23**, learning about the human heart, was like experiencing an exciting adventure. Because one cannot see it in action, it is a difficult concept for some children to grasp. On September 29, the Kindergarten students in Mr. McManus and Mrs. Mikulik's Physical Education classes spent World Heart Day learning about the heart's functions, with a larger than life diagram, provided by the Art Department.

Students were able to reenact the flow of blood through the arteries and valves as the heart pumps. The students also learned the importance of this primary organ to the cardiovascular system!

A Partnership Among Two Schools

On October 6, Wen Yi Fang, the principal from Tou Hu Elementary School in Taiwan visited **Dr. Orlando Edreira Academy School No. 26** and established a partnership between the two schools. As sister schools students from both schools will exchange letters, work on lessons, and develop a joint project this year on the theme of "The renewable earth." Mandarin teachers, Jennifer Hu and Theresa Hou-Liang are excited to begin working with students from both schools. Tou Hu Elementary School is only four years old, built as a new "green" school in Taiwan, and will share many of its ideas and experiences with Dr. Orlando Edreira Academy as both schools work to create cleaner school and planet.

Elizabeth High School Classes Observe Breast Cancer Awareness Month

by Jenifer Mendieta, Student, Grade 9

Throughout the month of October, students in Mr. Steven Sedano's A.P. World History classes at **Elizabeth High School's Lower Academy** are participating in Breast Cancer Awareness Month. Mr. Sedano has asked students to write reflectively and create posters about the facts surrounding this insidious disease.

One in eight women will have to battle this sickness in their lifetime. "I believe that we should be grateful to take part in this activity", said student Martha Julemis. Her classmate Michelle Elyse added, "We need to keep the women who have died from this disease alive through our memory". Mr. Sedano said, "It's a teacher's duty not only to teach material, but also to teach life lessons and to explore other ideas beyond the history books. It's important to teach the students about life-long learning and to help their community and society".

Mr. Sedano hopes that these types of activities will motivate more gifted and scholarly students to enter the field of medical research in order to find a cure to stop this disease from killing so many women.

World Heart Day

On September 29, **Donald Stewart Center School No. 51** celebrated World Heart Day by engaging students in outdoor play to promote an active and healthy lifestyle. Teachers also read books to the students to build awareness on healthy eating habits. In addition, staff members wore red in a school wide effort to raise awareness.

Wave of the Future

Dr. Albert Einstein Academy School No. 29 has officially begun the wave of the future! All students in grades third through eighth received their very own laptops. Students and team members are enthusiastic about the new One-to-One initiative, and have been using the new laptops for lessons on MyAccess Writing, to submit assignments, and to contribute to online group discussions. Fourth graders have even expressed how fortunate third graders are in having the laptops available to them this year, considering it a big advantage and wishing they also had the laptops last year. Coming soon, students will be using the laptops to blog while they conduct Socratic Seminars.

A Sweet and Tasty Story

What happened on September 26 this year that involved apples? Mrs. Phyllis Taub's class at **Madison-Monroe School No. 16** celebrated Johnny Appleseed Day and learned about the Jewish holiday of Rosh Hashanah.

The fifth graders created Appleseed puppets using geometric shapes. The theater script evolved from their computer research. Tasty treats came to town when Mrs. Taub and Mrs. Levenson revealed that apples and honey are a traditional treat on Rosh Hashanah to symbolize a sweet new year. How appropriate for Johnny Appleseed's birthday to coincide with the Jewish New Year! The students in both classes enjoyed their tasty apple slices dipped in honey.

Math Games at William Halloran School No. 22

Students at **William Halloran School No. 22 @ 31** are immersed in solving problems that require critical thinking skills. During a math lesson, Mrs. López's class completed some explorations, analyzed temperatures, built structures with base-10 blocks, and sorted dominoes while playing *Addition Top It*. All of the activities helped students develop mathematics skills while learning how to solve problems working in small groups.

Third Annual Pancake Breakfast Fundraiser

Dr. Antonia Pantoja School No. 27 participated in a Flapjack Breakfast Fundraiser sponsored by the PTO in alliance with Applebee's Restaurant. Team members and parents were treated to a delicious breakfast of pancakes, eggs, and sausage, with the generous efforts of PTO Chairperson Diana Garcia and team members. All monies raised will be used for students to participate in various activities throughout the school year.

Visitors from Katami City, Japan

The **Dr. Orlando Edreira Academy School No. 26's** Orchestra, led by Mrs. Cho-Murphy, greeted guests from Japan to commemorate the relationship between Kitami City in Hokkaido, Japan and Elizabeth. Dr. Orlando Edreira students offered the guests homemade hot sauces made for the school-wide Spice Project from the IB curriculum.

The middle school orchestra prepared a piece by Japanese composer, Keiko Yamada, titled “Amadare” (Japanese for raindrops falling on leaves,) which was presented during last year’s IB school-wide Water Project.

Showing Respect

In observance of Week of Respect, students at **Donald Stewart Center School No. 51** participated in numerous activities, including role-playing conflicting situations and positively resolving them, reading books on respect, creating illustrations and discussing how to use words in kind and helpful ways. Students from Ms. Sader’s class created handprints and placed them in a Friendship Garden.

Ronald Reagan Academy Launches Operation Respect

In an effort to provide students a learning environment that is respectful, safe and compassionate, **Ronald Reagan Academy School No. 30** has launched its “Operation Respect” initiative. This yearlong program of lessons and activities will enable all students to learn in an environment free of bullying. Teachers at Ronald Reagan Academy kicked off this program by celebrating Week of Respect, held during the first week in October. They showed their support of the anti-bullying initiative by dressing in the color blue.

They also wore their favorite team logo to promote the idea of good sportsmanship. Students in several classes read and discussed books about bullying. Other students completed Frayer models that define respect. By working together, students and teachers will effectively be able to ban bullying from the school!

Back to School Night at School No. 15

Team members and students at **Christopher Columbus School No. 15** were very excited on Back to School Night! They had a gym full of educators, parents, students and Board members Tony Monteiro and Rafael Fajardo. Students and their parents enjoyed the very first Uniform Fashion Show where students exhibited proper uniform etiquette for school. Principal Di Fonzo spoke to the school community about the brand new One-to-One Laptop Initiative demonstrating to the parents how students are developing 21st Century Skills with the assistance of faculty and staff.
