## ELIZABETH PUBLIC SCHOOLS HOLDS FIRST "EXCELLENCE PARADE"

One of the largest parades the City of Elizabeth has seen – *The Excellence Parade* came marching up Elizabeth Avenue on Saturday April 21, 2012 just before noon. Over 4000 students and team members, representing every one of the district's thirty-three schools, participated by marching, singing, dancing, and waving flags and banners to show pride in their respective schools and students' many and varied accomplishments.

There were decorated floats, trucks, and convertibles, horses, mascots of every kind, and even a large "elephant" complete with a rider, making their way from Union Square to the Dunn Sports Center on Pearl Street amidst cheering Elizabeth residents.

Three main floats depicted the focus of the school district on excellence in academics, athletics, and the arts. Terence C. Reilly School No. 7 received the prestigious designation of National Blue Ribbon School in 2011, joining National Blue Ribbon Schools Victor Mravlag School No. 21 and William F. Halloran School No. 22. Students from these three schools could be seen on the Academic Excellence float as it drove by.

Music filled the streets as the Elizabeth High School Marching Band, winner of the USSBA Group 5A National Championship, performed a selection from their colorful field show entitled *Santana Live in Concert* featuring Isaac D'Amico in the role of Carlos Santana.

Members of the Varsity Basketball Team, North 2, Group 4 State Sectional Champions, were highlighted on the Athletic Excellence float. The celebration of athletic excellence extended to teams, individuals, and coaches in track,

football, soccer, wrestling, field hockey, cheerleading, and tennis who brought honor to the district with their many awards and victories.

Elizabeth's six high schools had no shortage of representatives with large contingents of students coming out to show their school pride by cheering and sometimes singing about their particular school.

For students who didn't want to make the long march, including Early Childhood students, there were designated cheering sections along the route where even the youngest were able to cheer and wave flags.

"The Excellence Parade was the idea of Terence C. Reilly's Principal Jennifer Cedeño who wanted to celebrate her school's National Blue Ribbon recognition," said Board of Education Commissioner Paul Perreira. "Her idea created a great deal of interest and immediately other principals, music directors, coaches, and teachers wanted to have their successes celebrated. Everyone wanted to show their school's pride in their particular accomplishments so that by the time the parade was fully organized, over 50 contingents were represented."

The parade highlighted successes in Academics, Athletics, and the Arts including:

- *Terence C. Reilly School No. 7* being named the district's third National Blue Ribbon School – along with Victor Mravlag School No. 21 & William F. Halloran School No. 22
- Elizabeth High School ranked the number two high school in the State of New Jersey by the *Washington Post*
- 330 Elizabeth Public Schools students achieving a perfect score on New Jersey state exams
- Individual and team athletic awards in high school soccer, football, and basketball
- Selection of Chris Balent as Union County Basketball Coach of the Year
- The Elizabeth High School Marching Band winning state and national titles

The Excellence Parade was an opportunity for all of Elizabeth to come together as a community and to thank team members, parents/guardians, as well as the taxpayers of Elizabeth and the State of New Jersey for their continued support of the Elizabeth Public Schools and its goal to achieve excellence in Academics, Athletics and the Arts.

## 5<sup>TH</sup> ANNUAL *HEALTHY LEAP* EXPO

On May 1, Elizabeth Public Schools held its fifth annual health expo in collaboration with organizers Gateway Regional Chamber of Commerce President James R. Coyle and Trinitas Regional Medical Center Vice President of Clinical Services, Nancy DiLiegro, PhD. *Healthy Leap into Summer*, the largest teen obesity awareness program in the United States according to the U.S. Department of Health and Human Services, took place at the Dunn Sports Center from 9 a.m. to 2 p.m.

According to the Centers for Disease Control and Prevention, one in three children in our nation is now considered obese. The annual Healthy Leap event provides Elizabeth Public Schools' high school students the tools they need to combat teen obesity and live more health conscious lives.

Elizabeth Board of Education President Marie Munn said, "I am grateful to our generous, committed community sponsors and exhibitors who continue to provide our students this tremendous opportunity to gain knowledge in the areas of healthy living and physical fitness."

Over 2000 students from the district's six high schools participated in workshops, received health screenings, viewed food demonstrations, and had the opportunity to take part in over 40 interactive exhibits provided by organizations from Elizabeth and the surrounding community. Popular exhibits included the U.S. Army's pull-ups, push-ups, and tug-o-war competitions, as well as a new Latin Fusion exhibit by the Elizabeth YMCA. Students relished the healthy food tasting areas which included fresh fruit smoothies and wraps.

The expo concluded with a rally including guest speakers, performers, and contests for students. Competition winners of healthy poster, dance and public service announcement

contests each received \$500 scholarships. Students also earned tickets from various exhibits and workshops which they used to enter a drawing for an iPad provided by the Gateway Chamber of Commerce.

The rally began with Sergeant Donald Johnson, member of the Union County Department of Corrections Gang Intelligence Unit, who addressed students with a personal message about the tragedy of gangs and a culture of violence. He urged Elizabeth's teens do the right thing and resist violence, through a rap song, which was enthusiastically received.

American recording artist and songwriter *Charlie Vox*, who has writing and production credits on the albums of marquee talents including Rihanna and Deborah Cox, entertained students during the rally by performing her single, *Lie Instead*. Vox also shared with students her personal struggle in achieving a healthy weight.

New York Red Bulls soccer goalkeeper Jeremy Vuolo urged students to take a "healthy leap" by staying away from drugs, keeping active, and staying in shape through sports and physical activity.

Jim Coyle, President of the Gateway Regional Chamber of Commerce, commented, "The Gateway Regional Chamber of Commerce is again proud to have collaborated in organizing this important health expo. Over and over, teen obesity has been proven one of the deadliest but least talked about issues of our time. This generation experiencing teen obesity needs good role models and healthier options, and we at the Chamber could not be more pleased to be able to help provide them."

## TEACHER FOR ONE DAY

*Become a Teacher for One Day* was a beautiful, enriching experience for Mrs. Aponte's World Language classes at **Victor Mravlag School No. 21** and **William F. Halloran No. 22**. The students created lesson plans by using a format that helped them achieve their objectives through activities, homework and oral presentations. This project based learning helped them to experience a "professional" future. Students dressed professionally to teach their classmates different topics.

In addition to utilizing radios and Smart boards, students created Power Point presentations and flash cards to accomplish their teaching objectives. While the students became teachers, Mrs. Aponte became a student for two weeks by dressing as a student and completing class activities and homework. Cooperative groups were established to help Mrs. Aponte discuss and share ideas with her students.

## CELEBRATING WOMEN'S HISTORY MONTH

The students in Ms. Flemm's sixth grade class at **Madison-Monroe School No. 16** recently celebrated Women's History Month. Each student selected the name of a famous woman from a hat. ## A MENTORING PROGRAM

On March 21, twenty students at **Robert Morris School No. 18** were trained to be Mentors for Acceptance. The training was a follow up to the “Include Me” assembly that took place in February. The Mentor training was facilitated by “Pathways for Exceptional Children” which uses the “children teaching children” model.

The mentor training prepared students to be mentors or role models for inclusion and acceptance. Students participated in five workstations that simulated certain disabilities. The training helped the prospective mentors learn to effectively problem solve to help them through various mentoring challenges. It offered direction and understanding on how to appropriately assist a child that may have poor eye contact, inappropriate behaviors, hyperactivity, developmental delays, physical disabilities and more. The training helped the children focus more on the abilities every individual has. The students are now prepared to help build a school community where everyone feels accepted and valued by using the “children teaching children” model.

## SCHOOL NO. 14 STUDENTS ATTEND NEW YORK’S CUBAN ORCHESTRA CONCERT AT NJPAC

Mrs. Ramirez 8<sup>th</sup> grade students from **Abraham Lincoln School No. 14** visited the New Jersey Performing Arts Center in Newark. Students also had the opportunity to learn about the different instruments and music the orchestra plays, like “son”, “mambo”, “montuno” and “clave”.

The instrument they were introduced to, along with many they are familiar with, was “El Tres” a Cuban guitar which was played by José “Junior” Rivera who was cast as the famed guitarist Yomo Toro appearing in Marc Anthony’s biographical film *El Cantante* (2006) about salsa star Hector Lavoe. Students enjoyed the performance. Ciara Roman said, “If I could see them perform again I would because their music was so good.” Another student, Hilda Regalon added, “It’s probably been the best lesson on history that I have ever heard.”

**George Washington School No. 1** grades three through five were abuzz with math this week at the 2012 Math Bee! Homeroom teams of three competed in a Math Bee to determine the best math problem solvers within their grade. Questions were designed to imitate the types of questions they would be seeing on the upcoming NJASK. Team members worked to solve the problems and

submitted only one answer per group. What was unique about this bee was that, although their answers did not count toward their team's score, students in the audience had their slates and did the problems along with the teams.

Principal Mrs. Abruzzese, Vice Principal Mrs. Taylor, and math coach Mrs. Burkett, all were extremely impressed with the students and their ability to solve problems mentally!

## SCHOOL NO. 13 GETS MOVING

On March 23<sup>rd</sup>, the ESL/Bilingual elementary students at **Benjamin Franklin School No. 13** attended *Jersey Moves: Festival of Dance* at the New Jersey Performing Arts Center. ## ILLUSIONIST DAVID BLAINE

**Dr. Orlando Edreira Academy School No. 26** eighth grade class, along with Board President Marie Munn, and Principal Teitelbaum were invited to The Liberty Science Center (TLSC) for an exclusive rehearsal of world famous illusionist David Blaine. Blaine's illusions have astounded audiences for years. Currently, he is perfecting his newest illusion in a well-guarded space at TLSC. You might ask yourself, "What does a magic trick have to do with science class?" Mr. Blaine's act is more than just a trick.

This performance takes place in a 500 gallon cylindrical water tank in which Blaine submerges himself and holds his breath for ten minutes. For the past three years, he has been working closely with cardiologists, scientists, nutritionists, and yoga instructors to prepare his body for this mind blowing act. While underwater, he does everyday tasks, like lighting a candle while in his oversized fish tank.

Students were elated to speak to Mr. Blaine about how energy works, how the heart and lungs works, and many other scientific aspects of the act. Although the performance piece was ten minutes, students spent over an hour talking to the illusionist and his assistants. An added plus to this trip were the fifty cupcakes served in honor of Mr. Blaine's birthday.

School No. 26 was chosen for this prestigious performance with the help of Science teacher Mr. Clark. Mr. Clark works part-time at TLSC and heard that David Blaine was looking for an audience of teenagers for one of his rehearsals. David Blaine's completed performance will air on TV later this year.

## STUDENTS CREATE A NEIGHBORHOOD MAP

Students in Mrs. Sanchez's first grade class from **Juan Pablo Duarte-José Julián Martí School No. 28** learned about spatial relationships and other geographic skills in order to help them better understand their physical environment during Social Studies. To enhance their understanding, students created a neighborhood map which included the location of their homes, their school, and various points of interest in the neighborhood. The projects, some of which were created in 3D, included labels of street names and building names and numbers. Students went online to Google Maps and Google Earth to see an aerial layout of their neighborhood, while others took tours of their neighborhood with their parents. Students made connections between this Social Studies project and their Reading Street topic, 'What treasures can we share with neighbors?' The first graders realized that there are many special places in their community that they treasure.

## AND THE WINNERS ARE.....

**Benjamin Franklin School No. 13** had a Seussational week to celebrate Read Across America! Among the many activities that the students and team members participated in was a door decorating contest. Each homeroom chose a Dr. Seuss book and had to decorate their door with the theme from the book. A challenge that was added to this contest was to have the character from the book heading to college.

The winning homeroom, Ms. Filippello's and Ms. Pepe's 8<sup>th</sup> grade homeroom chose the book *My Many Colored Days*. In this book, the main character has different adventures and explores how every day is a different color. Each color portrays a different emotion/feeling for the character. Each student in the homeroom wrote a poem about the colors they would choose to take to college with them to become successful learners. The colorful road will lead them all the way to college and beyond!

*A special thank you to contest judges, Board member Armando Da Silva and L.A.L. Supervisor Maria Fabiano.*

## EARTH DAY CELEBRATION

On April 20, at **Toussaint L'Ouverture Marquis de Lafayette School No. 6**, eighth grade teacher Mrs. Patterson, Kindergarten teacher Mrs. Gomez, along with paraprofessionals Mrs. Torres and Ms. McNeil teamed up their classes to celebrate Earth Day. Older students assisted Kindergarten students in planting flowers and bulbs in a recycled wooden 15 foot long flowerbox that was formerly packaging for a video screen.

Before the planting started, teachers explained that plants need to take in water and need light as a source of energy to stay alive and grow. They also explained that most plants get water from soil through their roots and gather light through their leaves.

In addition to teaching the importance of caring for and respecting nature, recycling, and teamwork, the project also beautified the courtyard of School No. 6.

## “A STRINGS NIGHT OUT”

On April 3, 2012, **Elizabeth High School** hosted “A Strings Night Out: It’s a String Thing” an exciting musical event originated by Ms. Shakura M. Ismail. The intent of this program is to build rapport among teachers and foster strings education throughout secondary education.

First to perform was the strings ensemble at **Dr. Orlando Edreira Academy School No. 26** who, under the direction of Director Ms. Cho, performed *Clocks* by Chris Martin and *Eleanor Rigby* by Paul McCartney/John Lennon. **Dr. Albert Einstein Academy School No. 29** string ensemble, under the direction of Mr. Glennon, then performed *Pirates of the Caribbean* by Klaus Badelt. Finally, The Elizabeth High School Orchestra under the direction of Ms. Ismail performed numerous works from renowned composers such as Mozart, Puccini, Vivaldi, Teleman and Barry White. The orchestra also featured two soloists: Britney Alcine on viola and Amarilys Chaparro playing cello.

The evening ended with a lively collaborative performance of *The Pink Panther* by Henry Mancini. The sound of over 100 string players performing together on a single stage was truly remarkable. Everyone hopes this musical event returns next year.

## GOLF DAY

The Physical Education Department from **Christopher Columbus School No. 15** in conjunction with the PGA, held a golf clinic for 4<sup>th</sup> and 5<sup>th</sup> grade students. Since golf was introduced to the Elizabeth Physical Education department, it has become part of the yearly curriculum at School No. 15.

## REFLECTION INVESTIGATION

Students used flashlights and mirrors to investigate how a mirror can be used to reflect light and change its direction of travel. The students were able to gain a wealth of knowledge through this experiment that they can use in future science exploration.

## SCHOOL NO. 7 BOOK ARTS PROJECT WINNERS CELEBRATED AT THE MORGAN LIBRARY IN NYC

On March 30, three talented students from **Terence C. Reilly School No. 7** received awards for their “Medieval and Renaissance-inspired illuminated manuscript books” at the Morgan Library in New York City. Fourth grade students Vanessa Baiza, Sharon Lojano and Phillip Reguinho were thrilled to be honored as their families beamed with pride.

Working with writing teacher, Mrs. Luethold, students created original stories based on something they did for the first time. Art teacher, Ms. Greene instructed the students on the accordion fold technique, how to create book covers, how to apply 22k gold to their illustrations, and how to crush and make their own pigments. The winning books were displayed at the Morgan Library in a very special exhibit.

Phillip Reguinho shared his experience, “I loved writing the story about my first time riding a bike on my own. My favorite part was creating the book and watching my story come to life.”
