“We are what we repeatedly do. Excellence, then, is not an act, but a habit.” Aristotle

Elizabeth Public Schools Honored by the Alliance for a Healthier Generation for Fighting Childhood Obesity

At the National Healthy Schools Forum in Little Rock, Arkansas, the Alliance for a Healthier Generation, founded by the American Heart Association and the William J. Clinton Foundation awarded Bronze and Silver Awards to 17 Elizabeth Public Schools for transforming their schools into healthier places for students and team members. Admiral William F. Halsey, Jr. Leadership Academy; George Washington School No. 1; Elmora School No. 12; Christopher Columbus School No. 15; Robert Morris School No. 18; Woodrow Wilson School No. 19; and Dr. Orlando Edreira Academy School No. 26 received the Bronze Award.

Schools receiving the Silver Award were Winfield Scott School No. 2; Toussaint L'Ouverture - Marquis de Lafayette School No. 6; Terence C. Reilly School No. 7; Benjamin Franklin School No. 13; Abraham Lincoln School No. 14; Victor Mravlag School No. 21 and William F. Halloran School No. 22 located at Monsignor João S. Antão School No. 31; Charles J. Hudson School No. 25; Juan Pablo Duarte-José Julián Martí School No. 28; Dr. Albert Einstein Academy School No. 29; and Ronald Reagan Academy School No. 30.

Former President Bill Clinton cited the cities of Elizabeth, NJ; Miami, FL; Los Angeles, CA; and Prince George's County, MD as having the highest number of schools awarded. Clinton said, "It takes this kind of collaboration between schools, their students, and national partners to reverse the childhood obesity epidemic in the United States."

To earn these awards, each school revamped its food service and physical activity programs to meet or exceed stringent standards set by the Alliance for a Healthier Generation's Healthy Schools Program, which provides expert advice and free resources to more than 12,000 schools nationwide to help them reverse the national trend in childhood obesity. Schools are eligible for Bronze, Silver, Gold or Platinum National Recognition Awards based on their level of achievement. As Bronze and Silver National Recognition Award winners, these schools join 274 other schools that are receiving this honor for their healthy achievements.

Continued from page 1

“We commend the dedication of our healthy schools for their efforts to offer students and staff nutritious meals and a variety of physical activity opportunities,” said Ginny Ehrlich, chief executive officer of the Alliance for a Healthier Generation. “Their success proves that despite academic pressures and budget constraints, schools can develop environments that foster healthy lifestyles to benefit young people now and into the future.”

Superintendent of Schools Pablo Muñoz praised the schools’ achievement. “I am proud that our schools have become the healthiest in America and I applaud our team members for their commitment to our students’ personal well-being. In keeping with providing excellent educational experiences for our students, we are creating a healthier school environment where students are able to concentrate and perform at their best.”

In addition to the Healthy Schools Program, the Alliance brokers and implements voluntary agreements with industry leaders to provide young people better access to healthier foods, beverages, physical activity and healthcare. In January 2011, the Alliance announced new multi-industry voluntary agreements that brought together leading food manufacturers, group purchasing organizations and technology companies to help America’s schools serve healthier meals at more affordable prices. As a result of these agreements, more than 30 million students across the country will have access to healthier school meals – including at least 14 million students who currently participate in the free and reduced lunch program.

The Healthy Schools Program is supported by the Robert Wood Johnson Foundation. Any school in the U.S. can enroll and receive free assistance and support to become a healthier place for students to learn and staff to work. Find out more at www.HealthierGeneration.org.

The Greenhouse Is Here!

Written By: Student Michelle Ramires
(Dr. Albert Einstein Academy School No. 29)

The process of building our greenhouse wasn’t as easy as we thought. In our STEAM class we had been expecting a greenhouse since February 2011 and now the foundation is finally in place.

The Newark Conservancy recently came to our school and we planned out when and where we’re building the greenhouse. They used gravel to level out the grassy unlevelled floor. Now as a class we’re going to build it together. We’re also getting 3 or 4 raised beds, a worm bed, a rain catcher barrel to water the plants, and compact compost barrel to create fertile soil. Hopefully, we will get all of these by the summer.

On June 2nd, our STEAM class went outside to measure and get the blue print of what was needed. Construction of the greenhouse began the week of June 6th. The Newark Conservancy will come and put the glass and glazing in. By the last week of school, we should be putting plants in the greenhouse. Finally, our greenhouse will be completed.

Watchung Reservation

Select students of the eighth grade class from **George Washington School No. 1** participated in a field trip to the Trailside Center at Watchung Reservation. Dividing into two groups, students were led by their guides on two separate tours: *New Jersey's Wildlife* and *The Lenape of New Jersey*.

Students spent the morning exploring the woods, tracking the deer and observing numerous squirrels and chipmunks along with robins, cardinals, and a very plump

rabbit. After dining 'al fresco' in the company of a red-tailed hawk, they visited the museum to examine Lenape Indian artifacts before returning to the woods to study plants used by the Lenape for healing and nourishment. Students learned about New Jersey's past and what it has to offer now.

American Jewish History

Ms. Demoleas and Mr. King's sixth grade students, from **Benjamin Franklin School No. 13**, visited the National Museum of American Jewish History in Philadelphia, PA. In preparation for the tour, students researched famous American Jews, which included Barbara Streisand, Sandy Koufax, and Estee Lauder.

The tour guide took the group through 350 years of American Jewish History, including their immigration process into the United States. This experience helped students recognize the need for tolerance and acceptance of people from different cultures and races.

Kean University

Five senior English classes from **Alexander Hamilton Preparatory Academy** visited Kean University library for five Fridays. The visits were designed to accomplish two objectives: to help the students develop information literacy competencies and prepare for college-level research assignments.

The visits were coordinated by Hamilton Academy librarian Janette González, along with high school principal George Mikros and teachers Susan Tamburro and Ward Brenckman. Each of the students received an information package, lunch box and USB flash drive. Students were also invited to return to the Library for further research whenever

needed. Students were welcomed by University Librarian Luis Rodriguez. Charlotte Diakite and Cynthia Sanchez from Undergraduate Admissions introduced the students to Kean University, provided a video tour, and answered questions about the application and admissions process.

Healthy Alliance Team

The Healthy Alliance Team at **George Washington School No. 1** meet on the first Thursday of every month to discuss how to improve the health for both team members and students during lunch and in the afterschool programs. The team walks during lunch, eats healthier snacks and takes this time to discuss various ways in which they can achieve the silver medal award from the Healthy Alliance for next year.

Mattano Park Project

Elizabeth High School members of Mrs. Chaika's Skills USA Club and Mr. Perretti's Science Club met at Mattano Park on April 25 to conduct a bird count. Elizabeth High School students became familiar with nature in the area and the creating and sharing of biological data.

Students were impressed by the diversity of the migratory, wading, and shore birds at the Park. Utilizing the *Celebrating Urban Birds' Survey*, different groups observed over 26 species of birds. This data will be uploaded to the Nest Watch Database, a nesting database created by Cornell University. In addition, six bird nest boxes were donated and installed in the park and the students received training on how to monitor and maintain them. Groups of students volunteered to take ownership of the boxes throughout the year.

Members from the Trailside Museum brought along some of their naturalists to help with the program during the day. The Rotary Club of Elizabeth donated binoculars and bird field guides to the Science Club for this and future events. Other community participants were: AmeriCorps; Union County Board of Chosen Freeholders; Directors of Dept. of Parks and Community Revival; Groundwork Elizabeth; NJ Tree Foundation; and the American Corp NJ Water ambassador. After lunch, students split into groups to conduct litter clean-up. About thirty silky dogwoods trees and willow oaks trees were planted.

All of the participants walked away with a new appreciation of our local environment and a sense of accomplishment. Some students expressed an interest in becoming active participants in environmental issues that affect our region.

NAFOPOLY

Students and team members in the National Academy Foundation's Academy of Finance (NAF-AOF) at the **William F. Halsey, Jr. Leadership Academy** worked together to create a gigantic, wall-mounted NAFOPOLY game with design and layout features similar to those found in the classic *Monopoly* board game.

The NAFOPOLY game, which is 24 feet long and 5½ feet high, covers one entire wall of the NAF-AOF classroom at Halsey. Instead of featuring famous streets and locations in Atlantic City as the traditional *Monopoly* game does, the NAFOPOLY squares focus on the financial concepts, corporation case studies, and business practices the NAF-AOF students study as part of their coursework in business ethics, entrepreneurship, economics, and business law. Key words that are an integral part of the total NAF curriculum, such as integrity, diversity, morality, and honesty, are also highlighted. The NAFOPOLY concept was developed by Ms. Dana Rivas, a NAF-AOF teacher and the character drawings were done by Juan Asalde.

Special Performance

Donald Stewart Early Childhood Center School No. 51 hosted a special evening performance by Presley and Melody, a husband and wife singing duo. The performance incorporated music appreciation in a forum where “Music meets Theater.”

Parents and students enjoyed a musical number and were encouraged to dance and sing throughout the evening. Instruments and props were provided by the duo to motivate students and parents to join in the fun.

A Tea Party

Mrs. Fisher’s Pre-Kindergarten class from **Elmora School No. 12** hosted a special Mother’s Day Tea Party. What’s better than having a tea party and being able to invite your mom to it? The Tea Party brought together a whole year of learning and exploring in Pre-K and then blending those experiences to make one great old-fashioned tea party for moms, or guardians during Mothers’ Day week.

Reader’s Theater

Students in Mrs. Lopez’s class from **Victor Mravlag School No. 21** presented *Fox and Friends*, a combination of acting and Reader’s Theater. Students learned a lesson about responsibility and cooperation.

Mrs. Lopez will continue to incorporate this excellent learning activity in future presentations.

Science Experiments

Donald Stewart Early Childhood Center School No. 51 held their 2nd Annual Science Fair, organized by the school’s Math and Science Professional Learning Community. Teachers worked with their students to create a display and hands on activities which showcased science experiments that students worked on throughout the year. Students explored magnets, the 5 senses, the solar system, wind, light, sound, planting and had the opportunity to play with Oobleck and homemade Silly Putty.

The Science Fair remained open after school for parents to view. Teachers and Child Development Associates helped families work with the materials and explained the science concepts learned by the children.

Science Fair

Ronald Reagan Academy School No. 30 held their annual Science Fair on June 11. First graders demonstrated the properties of solids and liquids. Each class made Oobleck out of corn starch and water. Students then experimented with it to see whether it reacted as a solid or a liquid. It was a fun, messy learning experience!

Hand-Made Books

Mrs. Howard's first grade class, from **Ronald Reagan Academy School No. 30**, practiced their writing skills by making How-To Books for Father's Day. Each child wrote directions to do something around the house. Once completed, students typed their directions and chose pictures to go with them. The directions were then put into chapters: *In the Kitchen*, *In the Yard*, *Around the House*, and *Just for Fun*. What a great gift for any man to have!

Discovery Fair

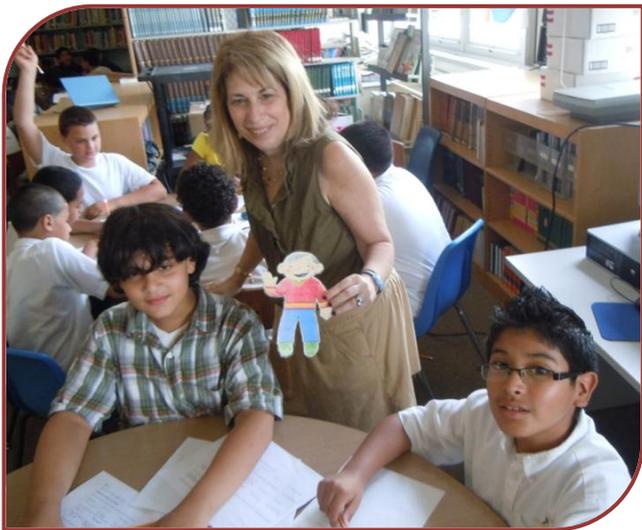

George Washington School No. 1 held a Discovery Fair. After weeks of study, research and preparation, students displayed work that ranged from projects and experiments to research papers, interactive projects and some informational displays. All grades were represented and the displays encompassed math, social studies, science, history, art and music as well as current events. Not only did the students create their projects but each class toured the building to view the wonderful works of art contributed by the students- a blue ribbon for everyone who participated!

A Special Breakfast

Ms. Bernmary Gonzalez's pre-school class at **Dr. Antonia Pantoja School No. 27** celebrated Mother's Day by treating their mothers to a special breakfast.

Students performed special songs and presented hand-made gifts to their Mothers. It was a wonderful way to show appreciation to all Moms!

Flat Stanley

Since his arrival at **Madison-Monroe School No. 16**, Flat Stanley has enjoyed meeting with school administrators, received a physical from the school nurse to make certain he didn't get damaged during his trip, met kindergartners from School No. 21, visited School No. 6 pen pals, learned how to graph an equation, and enjoyed games of geography. Plane geometry lessons have certainly struck a chord with Stanley as it allows him to study flat shapes such as himself.

Stanley has also picked up some aliases. Why be a plain old Flat Stanley, when he could be Two-Dimensional Stanley, Thin Stanley, or Paper Thin Stanley? Having

Stanley visit has really allowed fifth graders to mull over the concept of internal and external characteristics. In the coming days, Stanley expects to go strawberry picking and to improve his ability to play four squares in Mr. DiGiovanni's gym class. Stanley will bring a photo journal back to North Carolina with him to document all his adventures. *I may be flat, someone claimed to have overheard Stanley, but my days in fifth grade have been well-rounded.*

St. Jude's Math-a-thon

Students at **Christopher Columbus School No. 15** have been working hard for a special cause. Students and team members have raised over \$2,700 for St. Jude's Children Research Hospital. Money raised will help researchers find a way to help children who may be suffering from any forms of disorders or diseases and help families who are unable to pay for hospital services.

Everyone enjoyed working together to raise money for St. Jude's Math-A-Thon.

Second grade student Janaira from Mrs. Figueroa's class raised \$700 and was the grand prize winner. The two highest class totals were Mrs. Edri's fifth grade class winning first place, raising over \$700 and Ms. Watkins second grade class placing second place, raising over \$600. Raising the next highest totals were Ms. Figueroa's second grade class who place in third place and Mrs. Whitford's fourth grade class coming in fourth place.

Carnival Day

To kickoff the Memorial Day weekend, **George Washington School No. 1** had *Carnival Day* to celebrate all they've learned this year. The games involved counting, colors and shapes. There were activities and even popcorn and cotton candy. It was a great end to a great year of learning!

Forest Friends

The kindergarteners at **Ronald Reagan Academy School No. 30** are meeting *Forest Friends* in an engaging program designed to provide young children with the necessary skills to express and deal successfully with feelings of anger and rage. Students are exploring character building qualities needed to make responsible decisions through a series of plays using hand-held forest puppets. As the children identify with the characters, they are happy to see their new friends finding peaceful solutions to everyday problems. The students love to participate in this fun and valuable program coordinated through Mrs. Nancy Monaco, the guidance counselor with Prevention Links.

Science Fair Fabulous Fun

Fourth and fifth grade students at **William F. Halloran School No. 22** and **Victor Mravlag School No. 21** showed their scientific prowess at the Science Fair. There were spectacular projects on display, from a model tsunami to dancing robots. Each project shared something new to learn.

Students prepared a demonstration, an experiment or a research project and explained their projects to visitors. Visitors were simply captivated by the explanations and presentations. The projects were judged by science teachers, Mrs. Flanigan and Mrs. Szabo.

Terence Junior

Written By: **The Green Tigers**

The Green Tigers Environmental Group at **Terence C. Reilly School No. 7** adopted a tiger. Terence Junior, T. J., was born on June 19, 2001 and was rescued together with his siblings by the National Tiger Sanctuary located in Missouri. T.J. weighs 650 pounds. He is a white tiger with brown stripes, and beautiful blue eyes. He loves having his picture taken and loves to show off for people. T.J. prefers to have his own room most of the time. He has always been a dominant cat; as a baby he would be the one to start everything. When he woke up, everybody else had to wake up. When it was time to eat, he had to be the first. He was quite the handful.

White tigers are an endangered species, meaning they are at serious risk of extinction. There are only around 200 white tigers left in the world. We are proud to say thanks to the cooperation of students and teachers from Terence C. Reilly, we were able to help and save one of these wonderful and unique creatures!

Buon Appetito

Robert Morris School No. 18 held its first Spaghetti night to raise money to support eighth grade end-of-year activities.

More than seventy students and family members participated in this PTA sponsored event made possible by the support of the parent liaison; teachers and parents who helped cook and serve the food.

A Fun Day!

Pre-Kindergarten classes at **George Washington School No. 1** enjoyed a fun activity day. The courtyard was filled with carnival-like games and activities for all to enjoy. Stations included face painting, parachute games, bubbles, sidewalk chalk, bean bag toss, hula hoops, art activities, water painting, finger-painting with shaving cream and even a game of limbo! There was even a stop for refreshing lemonade as it was a hot, sunny day!

Admiral William F. Halsey, Jr. Academy's Students Share Their Business Plan

On June 9, two of Halsey's National Academy Foundation- Academy of Finance (NAF-AOF) students made a presentation to the Academy's Advisory Board that simply amazed everyone in attendance.

Under the direction of Halsey NAF-AOF instructor, Dana Rivas, students Erica Contin and Tania Coppi presented a comprehensive business plan they had developed as part of their Entrepreneurship class. In a professional manner, these young women described the business partnership they had established and the product, a mini Bluetooth wireless keyboard that they wanted to create and sell. They discussed the research that they had done to determine the market for their product, the advantages and risks involved in the undertaking, cost and revenue projections, growth plan, and the Code of Ethics developed for their company.

Among the many positive comments made after the presentation, a very successful business executive and Advisory Team member indicated that the students' presentation was as good, if not better, than many given by business people in the real world.

Congratulations to Halsey's Future Business Leaders!

Student Achievement Award

Robert Morris School No. 18's Alex Lopez, an eighth grader, was nominated by his guidance counselor and teachers to receive Union County School Boards Association's Student Achievement Award. The award was presented to him at a dialogue and dessert reception held at David Brearley High School on May 11. The reception allowed students the opportunity to voice their opinions about topics which were presented to them by the Union County School Boards' representatives.

Many students from Elizabeth Public Schools were chosen to represent their schools, and did so impressively responding to questions with clarity and maturity.

Hamilton Got Talent

Fundraising has been brought to a new level by **Alexander Hamilton Preparatory Academy** Sophomore Class Adviser Joseph Sellitto. Hamilton's *Got Talent* show brought together the creative abilities of students in a highly entertaining way. Students were treated to performances by two bands, singers, rappers, tap dancers, as well as original story and poetry readings. The show, called Hamilton "Got Talent" is in its second successful year, with profits for the Sophomore Class totaling over \$1,000.

Advisor Mr. Sellitto explained that the show, over its two year run, has been successful as more than a fundraiser. He said, "But outlets like the Got Talent show also allow audience and performers to build school spirit as they cheer each other on."

Family Movie Night

The PTO at **Joseph Battin School No. 4** sponsored a movie night for students and families. The families enjoyed watching Disney's *Tangled*. Students and their families laughed and enjoyed the snacks, including popcorn. Special thanks to Mr. Thomas for helping set up the movie.

Congratulations to the After School Art Program winners, Ketzalli Alejo and Keyla Puerto Sevilla from Woodrow Wilson School No. 19 for the month of April 2011!

Family Fitness Night

Family Fun Fitness Night was sponsored by the PTO and the Wellness Committee at **Dr. Antonia Pantoja School No. 27**. Students with their parents and team members were treated to a free Zumba class. There was also a representative from Nutri Lite that spoke about the importance of balancing good nutrition in our daily living which begins at home and continues throughout our lifetime.

The School No. 27 learning community wishes to thank Ms. Jennifer Savoca, Rosa Pereira, Lidia Rodriguez and the Wellness Committee for all their contributions.

Bug Day

Students in Mrs. Cosgrove's second grade class at **Robert Morris School No. 18** had a wonderful time at their "Critter Carnival". As an extension of their science curriculum, students visited various stations where they made sand art bugs, created bug themed necklaces, made butterfly sun catchers, created bug pictures and had their faces painted with their favorite critter. Every 'buggy' had a good time!

Recognizing Achievement

Christian Enow, eighth grader at **George Washington School No. 1**, was honored for high achievement in academics, excellent behavior and an outstanding attitude. Christian received an invitation to the *8th Grade Dialogue and Dessert Reception* on May 11 for his hard work, his 3.37 GPA and his role as an active member of the student council. He has taken a leading role in organizing school events such as 'The Haunted Hallway' and an Easter Egg Hunt.

Congratulations in showing Excellence in Academics!

A New Mural in School No. 3

Ms. Tara Santilli and Mr. Paul Moran, Art Teachers of **Nicholas S. La Corte-Peterstown School No. 3**, helped their students plan and orchestrate this wall mural located behind the security desk in the entrance of the school.

Thank you for helping beautify our school and allowing our students' talents to shine with your vision and endless talent.

Global Destination Imagination Tournament

In May 2011, more than 14,000 people took part in the world's largest celebration of creative problem solving... and students from **Dr. Albert Einstein Academy School No. 29** were among them! After winning First Place at the state tournament, fourteen students from Dr. Albert Einstein Academy qualified to compete in the Global Destination Imagination Tournament at The University of Tennessee. More than 100,000 elementary, junior high and high school students from throughout the U.S. and 30 countries took part in the program in hopes of winning a spot at Global Finals.

Team Glenrod, whose team managers were Susan Rodriguez and Sean Glennon, finished 13th out of 80 teams in their category and won the impressive *DaVinci Award* for exceptional creativity. Blades of Glory with team managers Bill Glynn and Kate DiFonzo finished 10th out of 53 teams from around the world.

“The DI competition requires students to work through some very demanding critical thinking and problem solving assignments that strengthen our educational systems by enhancing the learning processes taking place in the classroom,” declared Chuck Cadle, M.Ed., CEO of Destination ImagiNation, Inc. Principal Linda Seniszyn and Assistant Principal John Mellody and the entire School 29 staff applaud the students for their hard work.

Plant Sale

Donald Stewart Early Childhood Center School No. 51 held their annual Plant Sale on May 5th and 6th. The beautiful spring plants the children chose to purchase came from *Dreyers Farms*. With the help of staff and parent volunteers, the plant sale was very successful! The PTO plans to use the money raised toward end of the year activities for the students of School No. 51.

Revlon Run/Walk

Team members of the Wellness Committee and several shark team members from **Dr. Antonia Pantoja School No. 27**, participated in the 1st annual Revlon Run/Walk for Women's Cancer in New York City. Team members participated in this event to

promote and gain knowledge in the area of preventative health care. Not only did they demonstrate a healthy and active lifestyle, it also allowed the teachers to become more connected to each other and establish friendships. Special thanks to team member Rosa Pereira for organizing this event.

Annual Einstein Expo

Dr. Albert Einstein Academy School No. 29 held another successful Einstein Expo drawing out a crowd of 300 participants or more. The event exhibited activities to explore and learn about math, science and STEM related careers. This year's Einstein Expo featured many new additions including a Show & Share Science Fair, Forensics Science with New Jersey State Troopers, Fire Safety with the Elizabeth Fire Department, Enviroscope with Future City, Inc., an 8th grade dedication and tree planting, Lego robotics demonstrations, science challenge activities, and a live animal meet and greet.

Dynamic science projects that were entered in the science fair made choosing winners very difficult for judges, Principal Mrs. Seniszyn, Vice-Principal Mr. Mellody, and Supervisor of Elementary Science Dr. Wansaw. Science Fair winners, Brandon Frias, a 1st grader, and his family demonstrated the dangers in smoking in “Why Smoking is Bad”. Part of their evidence was a nicotine-blackened sponge soaked in water and cigarettes which represented a smokers’ lung over time. “Their project was scientifically sound and had a profound message we all can learn from!” says Expo co-coordinator and Science Coach, Tracy Espiritu. “These science fair projects were intended to be done with families, because we want to encourage families to be active participants in this child’s education.”

Other popular activities year after year are The Math Game Tables. Co-coordinator and Math Coach, Jannette Turano, explains, “Parents love learning the math games our students play in their classrooms. It’s an opportunity for parents to see what their child learned and for students to show off what they know in a fun and casual setting.”

The Einstein Expo is made possible every year through the dedication of the School No. 29 team members, parents and students. As explained by Ms. Espiritu, “We’re a dedicated team, who inspire each other. Without each other’s help, even the simplest task would be difficult.”

Students Visit the Museum of American Finance

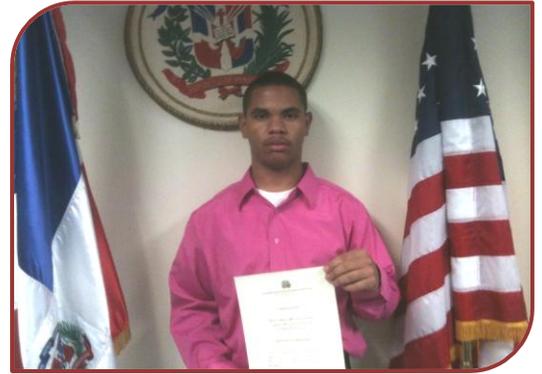

The Museum of American Finance, located at 48 Wall Street, is the nation's only independent public museum dedicated to celebrating entrepreneurship and the democratic free market tradition, both of which have contributed to making New York City the financial capital of the world.

Last month, students from **Admiral William F. Halsey, Jr. Leadership Academy’s** National Academy Foundation-Academy of Finance (NAF-AOF) spent a full day visiting this remarkable site to expand on all that they have been learning in the classroom about business and finance. The Museum’s exhibits dealing with the history of money, banking in America, the role of entrepreneurs, the financial markets, and the current economic situation in our country gave the students a deeper understanding of America’s financial history, both past and present. The students also got a firsthand look at New York’s Financial District and were very impressed with all they saw.

Jorge Martinez

On June 13, eleventh grader Jorge Martinez from **John E. Dwyer Technology Academy** competed for a chance to travel to the Dominican Republic and meet President Dr. Leonel Fernandez. There were 42 students from the Tri-State (New Jersey, New York and Connecticut) that competed for this event. With the guidance and support of Vice Principal Jacques Gonzales, Jorge gave an outstanding presentation that won him this award. Jorge and his parents have been invited to visit the Dominican Consulate in New York City on June 24.

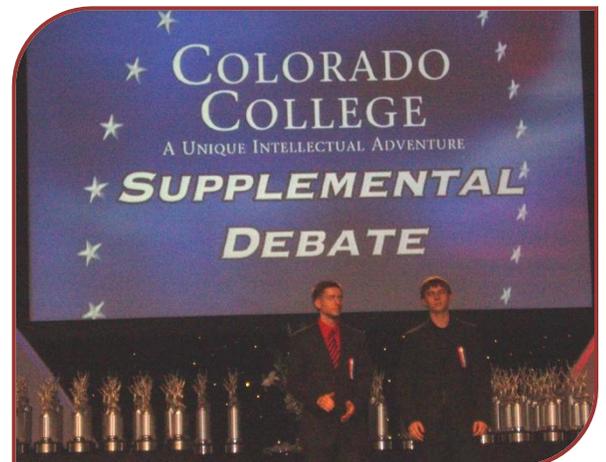

Music Under the Stars

Humid 99 degree weather did not deter 150 choir members from **Dr. Orlando Edreira Academy, Dr. Albert Einstein Academy, and Ronald Reagan Academy** from joining together in the beautiful field at Dr. Orlando Edreira to sing under the stars. The first ever *Music Under the Stars* celebrated the voices of

our esteemed K-8 elementary/middle schools and the team work that makes these schools successful. Students arrived at Dr. Orlando Edreira in the afternoon and attended workshops that spanned all disciplines. Students attended dance, art, and songwriting, music, and drama workshops all afternoon before their performance. Mrs. Rachel Nissim (School No. 30), Ms. Kate Difonzo (School No. 29), and Ms. Christine Cho (School No. 26) selected choirs and music from all genres; musicals, pop, patriotic music, liturgical, and even self-composed. In the finale, all 150 voices joined on stage for the “Star Spangled Banner” under the direction of Dr. Orlando Edreira’s Ms. Christine Cho.

Forensics Team Wins Again!

Once again this year, the **Elizabeth High School** Forensics Team has received commendation. At the National Forensic Tournament in Texas, three national qualifiers Edess Damis, Jacques Point Du Jur, and Kyle Valente competed against more than 800 students and made the first cut of 60. After competing in various categories, they were entered into Supplemental Debate where they competed against 519 national and international students. In this section of the tournament, EHS student Kyle Valente won second place! In addition to gaining a spot in the National Forensics League video for Supplemental Debate, he was awarded a scholarship for \$500. Congratulations to Kyle, Edess, Jacques, Coaches Renee Dembski and Kevin Mills, and the entire Elizabeth Forensic Team for their excellent efforts, and major successes this year.

The Florida Experience

Written By: Students Jose Trivino & Rey Maisonet
(Dr. Albert Einstein Academy No. 29)

We had the opportunity to go to Florida because we entered a contest that was nationwide held by NASA and fortunately we won! We presented our project, CHEESE BALL, and they liked it, and so they chose us to go to the NASA Student Symposium in Florida. It was an educating adventure even though it only lasted four days. We learned a lot of things from this experience. We even learned how hard it was to become an astronaut. We saw many things

including where rockets are launched and the VAB which stands for Vehicle Assembly Building. We saw how they move, then reassemble and fix rockets. We also saw the Endeavour on the launch pad. We had lunch at the Rocket Garden which is a place where you see different rockets that have been launched. Some rockets are originals, but most of them are replicas. Every night at dinner there was a speaker; the first night was the head of JFK Space Center and the second was an actual astronaut.

We met so many new people from different states and became friends with some of them. We had a fun time and wished we could stay longer. Hopefully, next year we can go again!

Smoothies Make a Splash

Students at **William F. Halloran School No. 22** and **Victor Mravlag School No. 21** have been learning about making healthy choices in their lives. Last year, the schools achieved a Bronze rating from the Alliance for a Healthier Generation. This year, an elective class wanted to plan something special and healthy for a lunchtime treat.

Throughout the year, students conducted school-wide wellness surveys, utilized Excel to analyze the data and shared the results in magnificent graphical displays in the cafeteria. They researched their own family histories in terms of health and wellness and displayed those findings in family trees. The culminating activity was to arrange for Kindergarten through eighth grade students to enjoy delicious smoothies during lunchtime. The group worked together to organize supplies and create the delicious concoctions which everyone enjoyed. It was difficult to imagine the delightful blends were packed with antioxidants that are so good for the cells in our bodies.

Studying Insects

Ms. Jeffrey's second grade class at **George Washington School No. 1** is studying many different insects which include, Darkling Beetles, Milkweed Bugs, crickets, and Painted Lady larvae. They have followed and observed the different stages of each insect's life cycle. The class also had the chance to see Painted Lady Larvae hatch into butterflies and then set them free. Students are continuing to observe Milkweed Bugs as they change

and Darkling Beetles as they hatch. Students have shown great interest in the insects and have learned that insects don't always follow the same life cycle.

Celebrating Multicultural Week

Dr. Albert Einstein Academy

Beginning the week of May 31, teachers and students organized a week filled with festivities to celebrate the diversity in the school community. The Multicultural Committee held special activities addressing global awareness and diversity within the district.

Among the many activities taking place during the week, students participated in multicultural parades, music festivals, ethnic food tastings, dancing, and a special guest performance by the Elizabeth Upper Academy Dance Group “Multicultural Celebration” led by Nicole Lemoine and choreographed by senior Christina Abitanto.

Donald Stewart Early Childhood Center

During the annual Multicultural Week Celebration, School No. 51 held various events. On May 31, students from the Upper Academy performed numerous multicultural dances for students and team members and encouraged everyone to participate by dancing along and learning the steps. On June 2, students performed for a large crowd of parents and visitors during the annual Multicultural Extravaganza. On June 3, students participated in the annual Multicultural Fashion Show wearing costumes representing their heritage.

George Washington School

A celebration of cultures, heritages and languages was held in the hallways of School No. 1. The bilingual classes, in grades Kindergarten, 1st, 2nd, and 3rd, decorated hallways with cultural decorations, costumes and artifacts of various countries.

Students worked on projects and essays to represent their cultures and help educate everyone at School No.1. Everyone learned a lot and the hallway looked amazingly festive!

Mabel G. Holmes School

On May 20, Pre-Kindergarten classes celebrated Multicultural Week by inviting parents and family members to a feast in each of the four classrooms that participated. Guests and students enjoyed numerous homemade foods and desserts from various countries that included, Dominican Republic, Colombia, Guatemala and Bangladesh, just to name a few!!

Victor Mravlag School No. 21 presented a Multicultural Showcase on June 9. The theme of the show was “Different Cultures plus Different Beliefs equals One Beautiful Mosaic of Colors and Dreams.” The students from Miss. Sims Pre-Kindergarten class performed *El Cumbanchero*.

Elmora School

Led by the World Language, Music, ESL, and Bilingual teachers, the students worked diligently to produce a show that highlighted the many different backgrounds of the students that astonished the audience.

From kindergarten through eighth grade, students worked with their teachers and come after school to practice. The students danced, sang, and delivered skits that reflected the culture from which their families originated.

To culminate the cultural experience, School No. 12 celebrated with an International Dessert Day. Many different Latin American foods were offered, as were some African and Southern Cuisine. Not only did the students get to share their cultural specialties with other students, but many were able to sample fares from other regions for the first time.

“It is through opportunities such as these that students get to celebrate their differences, while widening the experiences of the other students,” Mrs. Kulick, ESL teacher, stated. “We live in a global environment where the many differences that we, as humans have, are becoming less and less important. Instead, we need to focus on the many ways that people are similar. Days like today allow us all to celebrate our culture and provide an educational opportunity for all.”

Mrs. Depp, the World Language teacher for Elmora School #12, echoed Kulick’s sentiments. “Programs such as these help support our curriculum for the World Language classes. We are lucky to have such a supportive administration that allows us to work outside the box while maintaining focus on our educational values,” she said.

The Elmora School No. 12 learning community invited parents and community members to view the multicultural show that highlighted the many talents of the students at Elmora School No. 12. Team members and students should be commended for their hard work.

Dr. Antonia Pantoja School

To celebrate 2011's Bilingual/Multicultural Awareness Month, *Different Cultures Plus Different Beliefs Equals One Beautiful Mosaic of Colors & Dreams*, the school community began with a parade of over 400 students and team members. Students marched through the vividly decorated halls singing, *We Are the World* and *It's A Small World*. Individual classes decorated their doors to look like a cultural museum. First place winners: K-136 Mrs. Marquez, Mrs. Ruiz and Mrs. Perez, 3-210 Mrs. Nguyen and Mrs.

Gechtman, and 5-312/7/8-323 Mrs. Medeiros and Mrs. Conrad. Learning and fun were combined on Passport Day where students used passports to "visit" a new country and learn about that country's culture. The week ended with a school-wide multicultural festival. Special thanks to Ms. Greco and the Multi-Cultural Committee for a job well done!

Dr. Orlando Edreira Academy

In what has become a tradition, the 13th Multicultural Show kicked off the Bilingual/Multicultural Month activities. Amid an overflowing audience of students, parents, community members, as well as some very special guests, students and team members performed dances, songs, poetry, and musical skits representative of a wide range of cultures. Honored guests included the school's namesake Dr. Orlando Edreira. Also present were members of the Nai Ni Chen Dance Company, who had been working with third graders in choreographing a very special musical piece. The choreography was played out to the music of "Moonbeam Dancing," composed by Dr. Gerald Chenoweth in dedication to our school, and who honored us with his presence. Under the direction of Dr. Thomas Siebenhuhner, the Advanced Band played his composition.

The school's Multicultural Committee, chaired by Team Member Palmira Navarrete, worked arduously to produce this program. The show was introduced as a gift of cultures to each other, and represented a truly cooperative effort among students, parents, staff, and community.

Robert Morris School

Pasta, cannolis, gondolas, the leaning tower of Pisa, the Mona Lisa, the Colosseum and Strega Nona – all symbols of Italy that are depicted on the door of Mrs. Lourenco's and Mrs. Velaj's third grade class.

As part of our multi-cultural celebration, the third graders researched and reported on the interesting culture of Italy. They brought the art, the food and the places to life on the doors and walls of the classroom.

Spring Concert

Dr. Orlando Edreira Academy School No. 26 held its thirteenth annual Spring Concert on May 19 and 20. The program was comprised of all of the performance ensembles in the school including the Fourth Grade Chorus, the Beginning Band, the Concert Choir, the Voices of Harmony, the Jazz Ensemble, the Advanced Band, the Beginning Strings and the String Orchestra.

Under the direction of music teachers, Mr. Sean McLean, Ms. Christine Cho and Dr. Thomas Siebenhuhner, over 200 students performed a variety of music from Miles Davis to John Williams; from Bill Withers to Georg F. Handel.

Of particular significance was the World Premiere Performance of “Moonbeams Dancing” by Professor Gerald Chenoweth. This work was commissioned for the Advanced Band by the Nai-Ni Chen Dance Company and represents the second such collaboration in the school’s 13 year history.

Students Visit The NY Federal Reserve Bank, The New York Stock Exchange and Federal Hall

Alexander Hamilton Preparatory Academy’s Business Organization Class, led by Principal George Mikros, Media Specialist Janice Gonzales, and Business Teacher H.J. Munoz, Business Teacher, visited the New York Federal Reserve Bank, Federal Hall, and Wall Street-New York Stock Exchange (NYSE). The students received an overview of the NYSE. It was founded in 1792 in New York City and it has played a vital role in the United States economy as the world’s foremost securities marketplace.

The future business class was also introduced to the many functions and duties of the NYFRB (New York Federal Reserve Bank) including the maintenance of monetary and credit conditions in the U.S. and the sound business activity in agricultural, industrial, and commercial fields. The NYFRB also lends to member banks, open market operations, fixing reserve requirements, establishing monetary discount rates, and issuing regulations concerning those and other functions.

Students were overwhelmed as they boarded an elevator that transported them 40 ft below sea level. They then entered vaults that housed gold bars dating back to WWII, estimated gold value of over 200 Billion U.S. Dollars.

At Federal Hall, students were able to view antique artifacts at this historical museum where George Washington said farewell to his troops during the War of Independence. This is also the site where he took the oath of office as our first President and is the home of the first Congress, Supreme Court and Executive Branch offices which is the beginnings of the United States of America.

A Fun Day

On June 1, students and faculty were treated to a “Fun Day” at **Dr. Antonia Pantoja School No. 27**. Ms. Adda Cruz, PTO President, and Ms. Diana Garcia, team member and PTO treasurer, coordinated a day full of fun for all the students. Students were treated to a variety of recreational games and treats sponsored by the PTO. A faculty dunk tank was volunteered by School No. 27 team members who courageously braved the elements and donated their time. The School No. 27 learning community would like to thank all the caring and dedicated professionals who participated in this event.

Athletics and Academics Field Day 2011

On June 10, students of **Dr. Orlando Edreira Academy No. 26** participated in their 13th Annual Field Day. All the students were placed on either the Green or Gold team and for every event they participated; it earned points for their team. Physical Education teachers Ms. Lori Abry and Mr. Rocco Casso had all the students participate in a variety of physical activities such as Relay Races, Volleyball, Badminton, Bowling, Basketball, Baseball and Soccer. Students also participated in academic challenges, homeroom teachers organized while they were in the classroom. After a long day of physical and mental challenges the winner of the 2011 Field Day was - The GREEN Team!

Spring Concert

Thomas Jefferson Arts Academy’s Spring Concert featured vocal, band and guitar performances. Students in Mr. Shah’s band played a wonderful arrangement of *Shenandoah* by Frank Ticheli and *Rumble in the High Plains* - Michael Sweeney, and Mr. Sabet’s Guitar classes played *Hotel California* by the Eagles and *Every Breath You Take* by Sting. Ms. Kelly McAleney instilled great excitement in both choral singers and the audience with excellent song selections such as *Hey Soul Sister* - Train and *Imagine* by John Lennon. Ms. McAleney accompanied these beginner performers by playing the piano while Alexis Luna a sophomore student, strummed away to the Ukulele.

Last, the Grand Finale orchestrated by Ms. Valenti and Ms. Maher, incorporated dancing with a dramatic flair to the words written by John Lennon and Paul McCartney’s *Hey Jude*, played by the band and sung by the chorus.

Students Perform *Beauty and the Beast*

On May 18, students from **Dr. Albert Einstein Academy School No. 29** Afterschool Arts Program presented their Spring Musical, *Beauty and the Beast*. The cast consisted of 44 students in grades 5-8 and starred 7th Grader Lohanny Santos as Belle, and 8th Grader Johann Ernest as the Beast. Students ran the sound and lighting, as well as backstage responsibilities. Students had to memorize, sing, dance, and perform 25 songs during thirteen scenes. This show was the fifth major production since the school opened in 2006. Special thanks to music teachers Kate DiFonzo, Sean M. Glennon, choreographer Nancy Ynchaustegui, and set designers William Glynn, Susan Rodriguez and all the students that helped with this production.

Portuguese Banner

World Language Teacher Dr. Camacho and Fine Arts Teacher Mary Reilly created a banner that welcomed the Ambassador of Portugal upon his visit to **Thomas Jefferson Arts Academy**. Students collaborated with their teachers using color blending and painting techniques to create a successful banner that was showcased during the Portuguese Day Parade and the June Board Meeting. The completed banner is on display in the main hallway near the auditorium showing the dedication of teachers and students striving for a common goal "SUCCESS."

Wonders of the Urban Watershed Educational Program

Dr. Albert Einstein Academy School No. 29 Middle School students from Mrs. Cornacchia's and Mrs. Ynchaustegui's STEAM classes along with Mrs. Matousek went on a four day adventure with Urban Watershed educational personnel.

First, students learned about what a watershed is and its importance in our clean water environment.

Second, they ventured outdoors and learned how to keep their community clean by picking up trash and clearing out sewer gutters.

On the third day, students traveled on a pontoon boat up and down the Arthur Kill River near the Elizabeth Marina learning the importance of water way commerce.

Finally, the students learned about different types of fish in the Arthur Kill and were given a fishing lesson. The students of Dr. Albert Einstein Academy became experts at casting off their fishing lines in the Elizabeth Marina.

Green Meadows Farm

Preschool students from **Dr. Antonia Pantoja School No. 27** visited the Green Meadows Farm. This was an integral part of the curriculum that included a unit about a farm.

Students had the chance to see many different animals such as ducks, rabbits, sheep, and turkeys. They also had the opportunity to pet and see real farm animals. Special thanks to team member Ms. Bermary Gonzalez for setting up such a wonderful trip.

Union County Law Day Contest Winners

Students from **Charles G. Hudson School No. 25** were among the winners for this year's Union County Law Day contests. This year's topic was "The Legacy of John Adams, From Boston to Guantanamo."

Congratulations to Claribel De La Cruz who won 3rd place in the essay contest; Nathan Silva and Jonathan Cerno who won 1st place for the poster contest; and Jorge Veras and Damaris Quezada for winning 3rd place in the poster contest.

Jenkinson's Aquarium

The Pre-Kindergarten students at **George Washington School No. 1** visited Jenkinson's Aquarium in Point Pleasant Beach during the first week of June. Each class toured the aquarium and observed all kinds of sea animals and marine habitat.

The tour guides explained the many different types of sea creatures, their habitats and their eating habits. Some of the sea animals included penguins, sharks, beautiful fish, turtles and even snakes. Students had the chance to touch a real sea urchin and a horseshoe crab. After lunch, they took a quick walk on the beach to see the Atlantic Ocean before heading back to school.

Mickey Mouse Musical

The After School Performing Arts students from **Dr. Antonia Pantoja School No. 27**, under the direction of Marianela Perez, dazzled the audience in Broadway Revue of Disney favorites. Students began rehearsing for an evening of song and dance at the start of the year.

Parents were heard commenting, "What an outstanding and professional performance! This is something that we would see on a theatrical stage." Special thanks to the parents who have contributed to these students and their excellent accomplishments.

Quiver Traveling Farm

On June 10, **Donald Stewart Early Childhood Center School No. 51** had a visit from the Quiver Traveling Farm. The children had an opportunity to see over twenty farm animals including ducks, rabbits, chicken, geese, goats, a rooster, turkey, pig, and calf.

Farmer Eric cared for the animals while sharing some interesting facts about each animal. The children had a wonderful time "touring the farm."

6th Annual Spring Concert

The Instrumental and Vocal students from **Dr. Albert Einstein Academy No. 29** presented their 6th Annual Spring Concert. Performing Groups included the 4th-6th grade Orchestra, the 6th-8th grade Orchestra, the 6th-8th grade Jazz Band, and the 5th-8th grade Chorus known as “The Joyful Sounds”. The instrumental groups were conducted by Sean M. Glennon, and the Chorus by Co-Directors Kate DiFonzo and Stan Schwartz. The Orchestras of winds, percussion, and strings playing together like a true “Orchestra.”

The Middle School Songs included: *The Legend of Danny Boy*, *Thriller*, *The Best of the Temptations*, and *The Best of Glee*. The Elementary Orchestra played an original piece by Elizabeth’s own James Prime entitled *El Caballero*. The Jazz band played 3 pieces entitled, *Beyond the Sea*, *Concierto*, and *Children of Sanchez*. The Chorus sang a medley of songs from the Musical “Gypsy” which included: *Together Wherever We Go*, *Everything’s Coming Up Roses*, *Some People*, and *Small World*. They also performed an original piece by Mrs. DiFonzo and Mr. Schwartz entitled *United* which is about Bullying. Mr. Bracamonte and the After School Dancers performed a *Zombie* dance while the Orchestra played *Thriller*. The Concert was a great success and everyone left with their toes tapping and a song in their heart!

You are empowered to achieve excellence.

BOARD OF EDUCATION

RESOLUTION

**CONTRACT FOR PROFESSIONAL SERVICES
EDUCATION LAW CENTER**

WHEREAS, the Board of Education needs to be kept apprised of legal developments in the Abbott v. Burke case, which is designed to assure funding to provide Elizabeth children with the same opportunity to develop their potential as that enjoyed by their counterparts in affluent suburbs; and

WHEREAS, the Local Public School Contracts Law (N.J.S.A. 18A:18A-1 et seq.) requires that the resolution authorizing the award of contracts for “Professional Services” without competitive bids and the contract itself must be available for public inspection; and

WHEREAS, the Board of Education has determined to contribute a total of \$24,061.00 (equivalent to \$1.00 for each school child in the district); and

WHEREAS, the Secretary-School Business Administrator has certified that sufficient funds are available and appropriated for this purpose.

NOW, THEREFORE, BE IT RESOLVED, by the Board of Education of the City of Elizabeth, as follows:

1. That the President and Secretary of the Board be authorized to execute a contract with The Education Law Center, Inc., 60 Park Place, Newark, New Jersey 07102, for the purpose of providing advice and assistance on legal matters concerning public school education for a period one year, commencing at the signing of the contract, at a cost not to exceed \$24,061.00.
2. The contract is awarded without competitive bidding for “Professional Services” in accordance with N.J.S.A. 18A:18A-5a(1) of the Local Public School Contracts Law because The Education Law Center, Inc., performs legal services through the auspices of licensed attorneys-at-law, whose practice is authorized and regulated by law and is exempted by the provisions of the Local Public School Contracts Law.
3. That the City of Elizabeth is hereby requested to support this resolution by matching the Elizabeth Board of Education’s contribution in support of the litigation in the total sum of \$24,061.00, which is equivalent to \$1.00 for each school child attending the Elizabeth Public Schools.
