School, Community and Curriculum Highlights

John E. Dwyer Technology Academy pro-
vides excellent educational experiences,
utilizing technology, to inspire every stu-
dent take risks to achieve at high standards,
and to be successful in post-secondary op-
portunities that include college and career-
oriented goals.

Students attending John E. Dwyer Technol-
ogy Academy are provided with a rigorous
academic course sequence which includes
four years of English, three years of Mathe-
matics, three years of Science, three years
of Social Studies, two years of World Lan-
guage, one year of an art elective, one year
of a CTE, personal finance, and up to 20
credits of additional electives.

While our students obtain a diploma from
the Elizabeth Public Schools, our students
are ranked within their own graduating
class of our school.

John E. Dwyer Technology Academy offers
four different “strands” for students to
choose from, (NAF AOIT), (NAF AOE),
(CISCO) and (NJIT). Students also have the
chance to participate in AVID. Students
have class choices in each strand consisting
of the following:

NAF AOIT*

- NAF MOS Design Modeling
- NAF Intro to Computer Science
- NAF Digital Video Production
- NAF Graphic Design

NAF AOE*

- NAF MOS Design
- NAF Robotics and Automation
- NAF Digital Electronics
- NAF Intro to Computer Science

NJIT* (Dual-enrollment program)

- NJIT MOS Design
- NJIT Robotics and Automation
- NJIT 3D Modeling and Reverse Engineering
- NJIT Calculus
- NJIT Engineering

CISCO*

- NAF CCNA1: Network Essentials
- NAF CCNA2: Network Essentials
- NAF CCNA3: Network Essentials

AVID

- AVID elective
- Participate in Honors and AP Courses

TCNJ Dual-Enrollment Credit

- Students enrolled in AP English Literature
course receive 4 college credits from The
College of New Jersey

*Students who complete the NJIT coursework, includ-
ing both NJIT Engineering and NJIT Calculus will
receive 6 college credits from NJIT

*Students who complete the NAF coursework require-
ments will receive a certificate of
completion

*Students who complete the CISCO strand coursework
will receive a certificate of completion

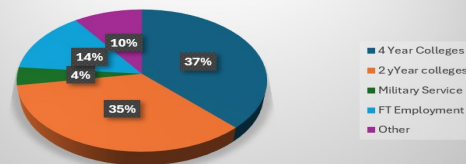

*Student must comply with a grade requirement.
