

## Fluffy Slime

**Activity:** Make fluffy slime!

### Ingredients:

- ½ cup Elmer's glue
- 1 ½ cups shaving cream
- 2 ½ tablespoons of saline contact solution

### Directions:

1. Add all ingredients into a medium size bowl
2. Use your hands and knead the ingredients together (the more you knead it, the less sticky it gets)
3. Add a few drops of food coloring or use markers to color your slime!

*If it's still too sticky, add more contact solution*
