

Grade 3 Supply List 2024-2025

Dear Parents/Guardians:

The Third-Grade teachers have put together a suggested list of materials that you can purchase over the summer. Please bring these materials with you in September on the first day of school. Also included is a multiplication table for your child to practice their multiplication tables. He/she will be expected to know them all in the 3rd grade. You will also find a list of high frequency words your child learned last year as well as words they will need to know this year. Please practice these words with your child. Have a great summer; we look forward to our year together!
