As a reminder, this is a meeting of the Board in public, not a meeting of the public."

Mr. Neron called upon the first public participant, Christina Moreira, to address the Board.

Mrs. Moreira stated that nine Board members were elected by the public and the attorney should only speak when asked. Mr. Neron thanked her for her comments and called upon the next public participant, Maria Lorenz, to address the Board.

Mr. Conte stated that based upon the site assessments, three proposal options for the RFP are recommended including the safe, possible, and risky locations. Mr. Conte explained the next steps including the issue of the RFP on November 1<sup>st</sup>, pre-proposal conference on November 9<sup>th</sup>, receive proposals on December 15<sup>th</sup>, award of Power Purchase Agreement in February 2018 and solar in operation by March 2019.
